White Doves Holiday Project needs your help!

A major annual project of Martin Volunteers is the White Doves Holiday Project, which has brought smiles, toys and food to thousands of people over the past 18 years.

Families are referred to White Doves by social service agencies, schools and faith-based groups. They receive groceries, a ham or turkey, and toys for their children. Last year, White Doves served 1,206 families with 3,087 children.

In addition to serving families, the project alleviates the added strain the holidays place on the agencies that serve clients throughout the year — ranging from infants in Head Start to homebound senior citizens with the Council on Aging.

The costs of providing a ham or turkey, the staples for a holiday meal and/or toys for children from birth to age 15 continues to rise, and we are seeking your help. Please review the options below to see if there's an area in which you'd like to assist. If you have any questions, please contact Anne Lalley at (772) 220-4472, ext. 232, or alalley@martinvolunteers.org.
